

**Westlock Lacrosse Association  
Registration Policy  
\*\*\* Approved at 2008 AGM \*\*\***

**TEAM SIZE:** MAXIMUM 18 RUNNERS PLUS 2 GOALIES – per GELC rules  
ALL TEAMS REQUIRE A MINIMUM OF 12 PLAYERS

Registrations will be accepted in the following order:

- 1) Priority given to players registered in the previous season, who register for the current season within 4 days after Registration Night in February. Registration forms must be accompanied by payment, in the order received by the WLA Registrar.
- 2) New players who register on Registration Night will be accepted on a first-come basis (in the order the receipts are written).
- 3) Other players who apply after registration night will be accepted on a first-come, first-served basis when payment and registration money is received by the WLA Registrar.
- 4) If there are more than 18 interested players per team, a waiting list will be drawn up, on the same basis as in #3 above.

The Westlock Lacrosse Association's philosophy is to offer lacrosse to all interested players, and every effort will be made to accommodate everyone who is interested in joining.

If there is sufficient registration numbers to form more than one team at any level, the Executive will consider all circumstances and determine how the players will be placed onto teams, per the WLA Evaluation Process Policy. Only as a last resort will we turn away players.

*(Please note that this Policy does not cover the Junior team; a separate policy will be developed for that team.)*
